

You've Been Boo'ed!

1. Enjoy your treats!
2. Put the "You've Been Boo'ed" sign on your door or in your window so others can see it!
3. Within 2 days, make 2 copies of the door sign and the instruction sheet and deliver to 2 neighbors with some delicious treats of a spooky surprise. Ring the doorbell and run! You don't want to be seen. That is half the fun!

Let's see how many people we can Boo
before Halloween!
